Re: Sewer Availability Request  
183 Pine Ridge Road  
TMS # 5-15-05-010.00

Dear Carole:

The Town of Lyman (Town) has reviewed your sewer availability request of March 30, 2017.

The Town has a gravity sewer line and right-of-way (see attached map) that runs along the rear of the identified tract with adequate capacity to provide sewer service.

If you have any additional questions please feel free to contact me at anytime.

Respectfully,

Robert L. Proctor  
Pretreatment Coordinator  
Town of Lyman
